

State Rep. Flider SB 1381 Reply

Thank you for your recent e-mail advocating for the legalization of marijuana for medical purposes. I appreciate your input on this matter. I appreciate the thoughts you have shared with me, my position has been that I only would support the use of FDA approved prescription drugs as prescribed by a physician. Again, thank you for contacting me with your thoughts on this issue. If I can be of further assistance to you on any other matter, please call me at (217) 428-2708 or toll free at (866) 453-2066. Sincerely, Robert F. Flider
